Him
No one else means more to me
He owns the my who for only key
To only and one who for wants heart
The and one who for wants me
Truely and one who for wants real...

Unseen
Complete in deadly confusion
Unearthed in too think my of is dreams
Whims, all I in can think my of is noticed
For all I in can think my of is you
And in in can think my of is dreams
Your Everything there
So seems
This was rare

What Would He Say
Is he he fake?
Is he he true?
My heart make will me he break?
And make the the feel blue
Not the the the good
Only I be be bad
I should
Not be be sad
Can he he be trusted?
Will I I get he stay?
Will I would be he busted?
What I would get he say?

Is			That		So?
You		say		I'm	beautiful
Is			that		so?
You	make		me		happy
That		I		could	explode
The	feelings		you		me
So		hard		to	explain
I	hope		I'm	not	this
All			in		vain
I	want		to	be	you
I	love		that		say
You're		here		for	me
Truely					Mine
When		I		was	down
You		lifted		me	up
Took		away		my	frown
Helped			me		forget
The	one		who		me
Helped		me		learn	that
I		may		love	you
You			take		risks
Just	to		talk		me
You			accept		me
For		who		I	am
I	haven't		felt		this
In	a		very	like	time
I'm	happy		to	long	that
You're			truely	know	mine!!
Something,					Anything
You			sat		there
Didn't		say		a	word
Or			did		you?
I'm			not		sure
I	wanted		to		you
Something					
Anything		get	the	words	out
Couldn't		scared		to	talk
Too			to	sound	stupid
Didn't	want		to		me
Wanted	you		to		
Something					
Anything					
Talk	to		me	at	least
Why			didn't		you?
I		may		never	know
Why	do	I	waste	time	you?
Am		I		wasting	it?

I
That
I'll
To ask you these questions

can

only
have

one

hope
enough

and

pray
day
courage
