VOLUME I

PREFACE

The Greek text declares to us that “we are the Masterpiece of God created in His Son Yeshua Christ. And that it ‘s our destiny to be in love with Them and manifest good works.” (Ephesians 2:10)

The English word “poem” is actually a derivative of the word “masterpiece”. Prophetically speaking, the good and bad of our lives become magnificent poems, expressions written in the finished work of Christ and penned by His precious blood. Here is Volume 1 of some of my personal testimony. As you read, I pray that you are blessed and inspired. But most of all, my desire is that you draw closer to the One who loved us first.

Shalom...

Breath on Me

Closer.
Please come closer.
I need You near.
Breath on me.

I must have Your sweet counsel in my ears.

I love You so much.
There is nothing like Your touch.
Tranquility is Your essence.
Breath on me.

My joy is Your presence.
I'm empowered by Your caress.
Your love is the best.
Lead me to the secret place.
Breath on me.

I long for Your celestial passion on my face.
Breath on me.
My vision is ever so clear,
When You...
Breath on me.

There is no fear.
Illuminating is my view from the cross.
I'm reminded that my soul is not lost,
When You...
Breath on me.

I want to please You more.
It's You, my Lord, that I adore.
Eternal is Your spiritual ecstasy.
Please don't ever stop loving me.
Breath on me.

Without

Without air, we breathe not.
Without authenticated love, we are only here.
Life is not true.
But only a movie with an awful ending.

Feel Me

Too many reasons to love You.
So many ways to hold You.
Only one way to know You.
Eternal ways to please You.
Incredible ways to make it last.
An undying love for You.
The fulfillment of Your desires are my life.

Listen

Only Your arms can hold me.
Only Your heart can understand me.
Only Your mind can nurture my visions and dreams.
Only Your Spirit can love me fearlessly and endlessly.
I have no where else to live but with You.

Think About It

Our experiences and encounters of true love are profoundly greater than our definitions of love. Simply because, we can never absolutely define a power so infinitely amazing as true love. To define is to imply a definitive ending, and how can we absolutely define God.

Have Life

I came that you would have a powerful life.
In Me, you can do the impossible.
Live without fear and love without strife.
I came that you would be rich,
And free from sin and shame.
I'm forever into you.
And I will Eternally be the same.
Give me all of you, and you will know.
A life of glorious pleasure and an endless flow.
Flow of living waters of life,
Like a husband's endless love for his wife.
I died so that you would...
Have Life.

Eat This

I want you to taste what you can't eat.
It will give you the mind of God, and it will taste so sweet.
Hurry now, you're moving too slow.
It is the knowledge of the Most High that I know you want to know.
Forbidden, did you say?
I believe you've misunderstood.
Go ahead, partake.
I promise it's all good.
Thank you for listening,
But I'm sure you will agree.
That your husband must partake to make your pleasure complete.
Free will my friends.
Eat this.
Eat this.

Blood Shed

Blood red flowing from your marred body.
Slowly, yet powerfully,
Atoning all of man.
The perfect sacrifice.
The blood that carries oxygen to your brain,
Leaves your body for me.
Precious blood.
Lamb of God.
Prophesied,
And it came to pass.
Now this blood cleanses.
Every transgression and sin.
Iniquity is powerless against its potency.
I was not there to see this blood shed.
However, because of it, I have a new life.
How long did it actually take?
How much was needed to
Reconcile the descendents of Adam?
Evidence supports a supreme verdict.
Justified and sanctified.
Glorified in the Son.
Thank you for blood shed.

*A life of glorious
pleasure and an
endless flow...*

Beyond the Veil

In Your presence is the fullness of glory.
As I worship You, I declare that You are holy.
Worthy is the Lamb that was slain.
Now as a priest of truth and righteousness, I sing.

Father, I love You.
Lord Jesus, I worship You.
Holy Spirit, I must have You,
In my life to please the Lord,
And to experience the resurrection virtue,
Of the one that I adore.
Now lead me where no flesh prevails.
I seek Your glory beyond the veil.

In your presence is the fullness of glory.
As I worship, I too am holy.
Joint heirs with Jesus Christ the king.
Now as a priests of kingdom royalty, I sing.

Father, I love You.
Lord Jesus, I worship You.
Holy Spirit, I must have You,
In my life to please the Lord,
And experience the resurrection virture,
Of the one that adore.
Now lead me where no flesh prevails.
I seek His glory beyond the veil.

No guilt in life.
No fear in death.
This is the power beyond the veil.
Poverty and sickness cannot dwell beyond the veil.
It's where we're empowered to impact the lost.
And to receive a clear revelation of the Cross.
So I worship you now, my Lord.
As I enter beyond the veil into your rest.
Be glorified in me, Holy One,
That there will be no flesh to glory in Your sight.

All I Want

All I want is for someone to love me.
For someone to need me.
For someone to care for me.
All I want is True love.
To give true love.
To be in love.

All I want is for someone to cry with me.
A life of romance and liberty.
The freedom to say I'm scared.
To be in love.

All I want is the joy and pain of commitment.
Long walks in the rain.
The prosperity to prove "I do".
To be in love.

All I want is sound kisses.
To hear that soothing voice in my ears.
I want communion so good that from my eyes flows tears.
Redemption each time we embrace.
To be in love.

All I want is the essence of beauty face to face.
Empowerment to all out please.
To be held in arms of restoration.
To be in love.

All I want is you!

Disobedience

Justified by what?
You were wrong.
Tempted by a liar.
Now, it won't be long.
The glory that clothed you will soon be
totally gone.
I spoke.
You heard.
Your love was my word.
Now your pleasure will bring inevitable
pain.
Your failure to listen has become poison
in your veins.
My son, My daughter,
Why can't you look me in the eyes?
Where is the wisdom that was promised
to you?
You were as God,
And now meer mortals blinded from the
truth.
The plan of redemption must change
your reality.
Forever will man be reminded.
That you disobeyed Me.

"The plan of
redemption
must change
your reality."

Highest Reality

Although I've never seen Your physical
face,
I know that Yahweh is Your name.
Your mercies are new every morning.
Your love and kindness are always the
same.
Dominion and power belong only to
You.
You are the highest reality.
You are the Lord of the breakthrough.
I've never physical felt,
The muscles in Your right arm.
However, each day I feel it's power,
Protecting me from all harm.

Indeed, I've never seen Your legs,
Walking along side of me.
However, I always feel their strength,
Each time I need You to carry me.

I've never seen Your eyes.
Not even Your majestic smile.
Still when I feel the wind blow on my
face,
I know that I am Your child.

And when my heart is hurting,
From taking the blows of life,
You are always there to console me.
Like a good husband does his wife.
The day will come when I will behold all
that You are to me.
Both now and forever,
You are my highest reality.

Your Faithful Kiss

Validate my life.
Secure my emotions.
I'm lost without You.
Life has no meaning without Your
faithful kiss.

Sweet rest.
My self esteem.
I can't resist your faithful kiss.

Kingdom power.
My Alpha and Omega.
The mystery of your glory is in Your
faithful kiss.

Wondrous eternal completion.
Healing from time.
Take away my pain.
I learn so much about You from Your
faithful kiss.

I have unstoppable joy.
Our journey is much sweeter.
Love as new meaning.
I can feel my heart beating from Your
faithful kiss.

Hold me in times of trouble.
I love myself much better.
I enjoy the sound of rain.
I have glorious purpose.
It's in Your faithful kiss.

Great High Priest

Go into the Most Holy Place in the heavens
where no mortal can see.
Stand where I can't and make intercession
for me.
Counsel with the Father and plead my case.
Ask Him not to turn his ear as I seek His
face.
You've been where I now am,
Yet with out sin.
You said You would never leave me,
And that You would be my closest friend.
So I cry out to You now, O Holy One!
You are the Messiah.
You are God's Son.
Your compassion has no measure.
Your love has destroyed my heart's wall.
You have conquered death hell and the
grave.
Again, it's to You I call.
Counsel with the Father and plead my case.
Ask Him not to turn his ear as I seek His
face.
You know my struggles.
You know my pain.
You've felt life's blood flow through your
veins.
And now You are glorified in heaven.
Exalted in heaven and earth.
You alone are responsible for my new birth.
Please counsel with the Father.
It's only through You that I have perfect
peace.
You alone in the heavens are my Great
High Priest.

How Does It Feel

How does it feel,
When I call Your name?
In the heat of tribulation and give You praise.
When I please You in every way,
with the things that I do and say.

How does it feel,
when I confess that Your power is the best?
I want You to know that I'm deeply in love with You.
I'll do what it takes to keep You in my life.
You are My King, My Lord, My Christ.

How does it feel,
when I give you quality time?
Are you satisfied,
As I worship you in spirit with body and mind?
Words cannot express what You mean to me.
My love, I never want to make You ashamed
as I represent your Kingdom and righteous name.

Lord, how does it feel,
When I speak the truth?
When I am an example to both old and youth.
Do You hear a sweet song,
When I pray for those who do me wrong?

Does it bring you joy,
When I trust in You,
And believe by faith that You'll bring me through?
I believe it does.
To You, I sing new songs of deliverance.
For it's my praise unto You that caused me to sustain.
So at all times, I'll bless Your wonderful name

Father, my heart is to do Your will.
So my selfish desires,
Each day I kill.
As I end this poem dedicated to You,
I thank You for salvation and my heart that You've healed.

Everything I do now is for Your specific appeal.
And with Your mercies that are new every morning,
You've already answered my question of
How does it feel?

I Desire

I desire to feel your touch.
I desire to touch what you feel.
I desire to hold your heart.
I desire to watch it heal.
I desire your warm embrace.
I desire us face to face.
I desire the fragrance of love.
I desire the light from above.
I desire constant intimacy.
I desire you inside of me.
I desire to see your tears of joy.
I desire the completion of my joy.
I desire the pleasure and pain of forgiveness.
I desire the kiss of worship for a witness.
I desire a righteous offering.
I desire a soul that will always sing.
I desire clean fellowship.
I desire eyes that will always see Me.
I desire born again communication.
I desire praise and celebration.
I desire adoration that's pure and free.
I desire to look at you and always see Me.
I desire Us.

*I desire the
fragrance of love.*

Fresh Water

Thirsty.
Drink of Me.
How cool?
How refreshing?
Oh, taste and see.
Never will you thirst again,
If you choose not the desert of sin
and strife.
I desire not just to wet your whistle.
My passion is to flood you with waters of life.

Thirsty.
Partake of me,
And experience a well spring like
never before.
Fresh water.
Flowing from Eternity.
Enjoy the splendor of Me.

I Trust You

You are my firm foundation.
I don't have to hurt anymore.
I feel so rich.
Because without You, I know that I
am poor.
All that I am is in Your hands.
My heart is at peace,
Because centered around You are
my plans.
You've never lost a case.
Truth is, You always win.
I did not trust You with my beginning.
However,
I choose to trust You with my end
I trust You.

Unspeakable Joy

I can't stop smiling,
When I think about Your love.
How awesome is our communion!
Our secrets for love are given from above.

My pain begins to dissipate,
As I lean on Your everlasting arms.
Peace is communicated in Your access,
And my soul is assured.
That with You,
I'm safe from all harm.

Laughter is a healing balm,
When spending time with You.
I never want our time to end,
When You are doing what only You can do.

You've touched places at the core of me,
That I never knew were there.
You've shown me how to be in love,
And how to unconditionally care.

I'm not afraid of Your fire,
That burns only for me.
I'm enjoying each step in our journey of intimacy.

I never imagined,
That my life could be this way.
I experience such celestial ecstasy,
Each time that I pray.

It's nothing less than a miracle,
To know that You chose me,
Long before I made You my choice.
Now I long for Your presence.
My day begins when I hear Your voice.

Tears of joy fall at times,
When I think about what You mean to me.
I don't want to live my life without You.
If there is no You,
Then there never was a me.

Simply said,
Because of You,
I have joy unspeakable, full of Your Glory.

I'm Alive

I'm amazed by the miracle of my life.
You've made me in such splendor.
You've even given me a precious wife.
I'll forever love the both of you,
Just teach me how.
In paradise with You, she and I will humbly
bow.
To you, El Elyon, You are our beginning and
end.
With passion and purpose, we shall rule in
our dominion.

New Life

Although we've never held hands,
While walking a beach of jet black sand,
My new life believes our communion will
never end.
We've never dined to candles,
With soft music and moonlight.
However,
My new life engages us each night.
There are no memories of laughter,
As we shopped the mall.
Still when it comes to Yeshua,
My new life has no wall.
Paradise is Your essence,
And my new life is radiant of Your merciful
touch.
You are my new life Adonai.
That's why I love You so much.

Know This

I need You inside me.
See what I see more than words in my
ears.
I need Your presence,
Gratification with fragrant oil.
A sweet sensation that affects the
whole body.
Face to face.
Good and Best.
Passion unhindered with supernatural
rest.
Empowered to please You,
You and me, deeper than the abyss.
Fused kingdoms with an undying love.
When we kiss, we shake the cosmos
above.
Hell is horrified at our apex.
Basking in the after glow protects us
from attacks.
Can You hear me calling?
Feel me calling You near?
I love Your tears of joy.
And Your cries from our expressions
of truth.
And the radiance from our longsuffer-
ing is delightful proof.
That You have Zion struggles and that
blood runs deep in me.
So when we commune in love, we film
that history.

Love Jones

To be in love was something that my heart,
Had given up on and my word was bond,
Until that day that I met You.
The feeling I had was indescribable.
Our chemistry was very spiritual.
Your voice was so sweet and irresistible.
The passion we felt was undeniable.

On that predestined day, I became in love.
With You, Jesus Christ, my soul's one true love.
Now I'm free to love again for the first time.
I'm honored to say that You are mine.
Yes, I'm ready to love for a lifetime.

Words can't express what You mean to me.
You've brought peace to my life, respect and dignity.
No more playing for sure those games are out the door.
You're the only God in my life that I adore.
Your love has opened the eyes of my heart.
Now I see before the world began You were my destiny.

While I was yet a sinner, Lord, You died for me.
Your pain was my pleasure, still You cried for me.
I can never repay what You've done for me.
So please take what I have,
Lord it's all of me.

My time, talents, my body and money.
May my sacrifices and offerings be pleasing to You and sweeter than honey.

My Lord, how does it feel when I call Your name?
In the heat of my trials and give You praise?
Does it make You smile when I choose to say,
No matter the heat, I'm going to walk by faith?
And what about my worship, are You satisfied?
I want You to feel holy joy in our quality time.
Whatever it takes day or night.
That's why I study Your word so I can love You right.

Beyond the veil is our secret place.
Where revelation is whispered as we're face to face.
I know the devil trembles when we touch.
And our adversaries are hating because we're in love.

Lord, You died for my salvation and liberty.
So I'm totally committed for all eternity.
All I do now is for Your appeal.
I want You to feel divine pleasure,
From my passion to do Your will.

I've got a love jones for a love I've never known.
It's a love forever pure.
I'm Yours.
You're mine for sure.

Your Father's Love

I love you more than you will understand.
For the love I have is inconceivable to the mind of man.
From you, I never want to be apart.
I burn with a passion to establish joy in your heart.
Regardless of disappointments I will always give you a new start.

My heart beats for your prosperity and success.
And in the hard times in my arms you can always find rest.
Each day I look forward to hearing your voice and seeing your smile.
I will never give up on you for you are My child.

There are times when I will say no.
But it's not for your displeasure.
It's so that you can grow.
Grow into the royalty I've ordained you to be.
Immature children shall not reign with Me.

I am forever faithful to you and the fulfillment of your dreams.
I am the rock when you are in trouble.
I am the boost for your self esteem.

My heart dances when I can sing to you.
I rejoice in the times that you are going through.
Because I know when you are tried in the fire,
You will come out the purest of gold,
And stronger than ever with a refreshing in your soul.

Your determination to win is a reflection of me.
Conquest is in your blood and dominion your destiny.
I'm in love with you, My child.
Nothing can come between you and Me.
You are all that I have and I want our enemies to see,
The glory that I have invested in you before the beginning of time .

Walk in victory, my precious seed, because it is your time,
To display the glorious splendor of My kingdom above.
In earth, I desire that you mirror your Father's love.

When You Are Converted

There you are.
Oh, how you've fallen!
Still I love and chose you.
Yes, on your life, there is a calling.
So accept this grace and power that's here for you.
Because there is nothing that can stop My love for you.

The Kingdom suffers violence,
And the violent press in by force.
So assume your rightful position,
And rely on Me your power and source.
When you are converted, strengthen the brethren.

You must understand what I've done on Calvary.
I've empowered you with all things,
That pertains to life and godliness.
It's through the cross and knowledge of Me.
So turn back to Me,
Believe and receive the Spirit of Me,
To partake in the advancing of our kingdom.
For it is your destiny.
When you are converted strengthen the brethren.

Get up from your guilty place of sin.
Who the Son set's free is free indeed.
By faith declare this truth.
And walk in righteous liberty.

I am the way.
I am the door.
I am the power to make your calling and election sure.
Repent and simply turn back to me.
So that the world may know,
That I've come to give life,
And life more abundantly.

Indeed, when you are converted strengthen the brethren.

Where Are You

Why were you not at the place
where we always meet?
And why is your head down each
time that you speak?
And why is your wife standing behind
you?
Did you do something that I com-
manded you not to do?
Why is My heart hurting?
Something is not the same.
Why are you both covering up and so
ashamed,
And afraid of My presence and de-
claring the blame?
Oh, I see!
The passion fruit has opened your
mind's.
This will cost Me my Son's life,
But man will be redeemed in time.
Till then My heart's cry will always be
Where are you.
Where are you?

*This will cost Me
my Son's life*

The Perfect Sacrifice

How will you experience the ascended life?
Only by the perfect sacrifice.
How will you see what the eyes can't see?
Through the perfect sacrifice.
How will you be free from all manner of
disease?
Only by the perfect sacrifice.
How can you love beyond human limita-
tion?
Simply through the perfect sacrifice.
How can you give virtue that's undeniably
pure?
By the glory of the perfect sacrifice.
How can you impact the Master's heart?
Only through the perfect sacrifice.
How can you fight the good fight of faith?
Truly by the perfect sacrifice.
How do you forgive a life for the life of
abuse?
Through the power of the perfect sacrifice.
How can you defeat the onslaught of hate?
Only by the perfect sacrifice.
How can you experience Love without
measure?
It's through the perfect sacrifice.
How can you live and live again?
Indeed through the perfect sacrifice.
How can you win and always win?
Absolutely by the perfect sacrifice of
Christ.

Woe to the Shepherds

Woe to the shepherds that scatter the flock.
Are you guilty?

Woe to the shepherds that scatter the flock.
You better hear me.

The lies you've told are coming to end.

No more will My sheep trust in you.
For they now see that you are not their friend.

Used and abused,
You've had them standing in the cold.
Crushing those that would not bow down,
To your diabolical witchcraft.

And spiritually assassinating those that would not submit to your control.

My mercy covered your idolatry.
My love graced your life.
Now judgment is at your neck.
Like a sharp butcher's knife.
The pain in the souls of My sheep,
Will not go unrewarded.

Though you laugh with each sundown.
Soon you will be a spectacle,
And your name shall be Great Clown.
Carnivals shall be your ministries.
For shedding innocent blood,
Debt and shame shall over take you.
Like the force of a great flood,
Your soul will cry for mercy.

When I unleash my wrath,
You must pay for all the wounded.
Never again will you impose,
Your fleshly path.
Last warning,
Repent and fall on your face.
Cry out for mercy,
That your sins may be erased.
Woe to the shepherds that scatter the flock.
Are you guilty?
Woe to the shepherds that scatter the flock.
You better hear Me.

The Heart Is

How can a heart so right be so wrong?
It can have you loving your wife,
Then have you cherishing another
woman's thong.
One day your husband is all you need.
The next day it's another man you long
to please.
Today your children are safe in the
house.
Tomorrow you're cursing and kicking
them out.

It drives the mind to inflict great pain.
Yet becomes the medium for love to
make sound, the insane.
It morphs the strong from a wimp,
And causes the preacher to transform
into a pimp.
It can produce a feeling that's so pure
and warm.
While seducing others to internet porn.

Murder lurks in the reservoir of its
core.
It makes beautiful women and men
become zestful whores.
Courage is its companion, and its foe is
fear.
It causes the wise to understand,
And makes the rebellious to never hear.

Belief in its chambers converts the sin-
ner to the saved.
Faith in the heart inspires freedom in
those that are slaves.
Slaves to darkness but yearn absolute
liberation.
It is both the minister and sanctuary for
love's revelation.
The Heart is...
The Heart is.

Selah

A son of Yahweh God and priest.
This revelation has been established in
me.
Living the scriptures is commitment to
holy intimacy.
Most religious brethren deserve the Os-
car,
For they're not what they're projecting to
be.
I feel like I'm hunted as I'm becoming
what I'm destined to be.
I'm seeking God's Kingdom,
And what I often find is the tradition of
men.
Unrighteous judgment and Jealousy.

**Faith in the heart
inspires freedom
in those that are
slaves.**

Talk To Me

Talk to Me.
Tell me how you feel.
Each word that you speak,
Will cause your heart to heal.

Talk to Me.
Say what's on your mind.
Now matter how long it takes,
My attention is not limited to time.

Talk to me.
You can trust Me with your pain.
Rejection is not an issue with Me.
Your confessions will not be in vain.

Talk to Me.
Allow the unveiling to soothe your soul.
It's ok to be vulnerable.
With Me freedom is being out of control.

Talk to Me.
Each spoken word will empower you to be free.
You will feel your heart beat again.
And more clearer you will see.

Talk to Me.
For I am the antedote to your heart's cry.
To know the answers of purpose.
And to understand specific why's.

Talk to Me.
I feel your agony.
I see in your beautiful eyes.
A soul longing for liberty.
It's your past, present and future,
that will begin to unfold.
As you express all your desires,
You'll experience the breaking of every stronghold.

Talk to Me.
Know this one thing is true,
I am and will be the first to never hurt you.
Because I'm eternally in love with you.
Now please... Talk to me.

Son of God

A virgin entry miraculously true.
The blood of God races through You.
The day will come when You will feel
unbearable pain.
The evidence of Your life will manifest in
Your name.
The heels of Your feet shall stand on
darkness head.
The life in Your words will raise the
dead.
A new creation shall experience eternal
life.
The husband will die for his wife.
A cross shall hold Your flesh and bones
in an agonizing grip.
Why have You forsaken Me will fall on
Your lips?
Blood shall flow out of Your head into
Your eyes.
The perfect sacrifice will be many adver-
saries surprise.
Death and disease shall cloth You like
the grains of sand.
Love will be Your passion for the re-
demption of man.
In hell You shall fight, conquer and re-
store Kingdom order.
You will be the firstborn of many sons
and many daughters.
In three days, Your deceased body will
live again.
For the blood of God was the atone-
ment for sin.
Your finished work shall be the seal for
the Kingdom reign.
Prosperity and power will be fused in
Your name.
Your Spirit in the earth shall unveil all
truth and be a correcting rod.
The redemption of man was accom-
plished by the Son of God.

Rose of Sharon

How lovely are your pedals,
That lead me to the secret place!
Like no other fragrance,
Yours invoke a smile upon my face.

Your thorns prick the minds.
Of those who chose not to believe.
Yet Your beauty is always available,
For all who want to receive.

In all seasons You bloom,
For heaven and earth to see.
The hand that holds Your splendor,
Instantly has a change of destiny.

To smell You,
Is to inhale paradise.
To hold You,
Is to encounter eternity.
To have You in my life,
Is to have everlasting love inside of me.

Precious is Your color,
That gives me sight.
Not wanting to destroy Your beauty,
Compels me to live right.

Your glorious splendor,
Covers all my sin and shame.
The Rose of Sharon is Christ.
The name above every name.

Sound Doctrine

In the Holy scriptures,
Only those that have eyes to see,
Will teach the King and His kingdom,
Not just studies of the after life.

There is a remnant,
That have ears to hear.
With boldness and passion,
They communicate God's sovereignty,
And His kingdom is so clear.

Today true biblical government,
Is being established in the Body of Christ,
And the democratic muppets and puppets,
Are swiftly being exposed.
These are they who are truly antichrist.

It is written in the Holy scriptures,
The preeminence of a fivefold authority.
The apostle, prophet, evangelist, pastor and teacher,
Are for the equipping of the saints,
And for the work of the ministry.

The holy scriptures clearly reveal,
To those that have eyes to see,
The ministry of helps,
Which also aid and guard Christ's body.
This is the dispensation.

When all idols will fall,
In every form of government,
The kingdom of God will tower strong and tall.
We are in the hour of the Spirit of truth.
He is opening the eyes of the old and the youth.

Only the fruit of revelation,
Will keep us from the existing powers,
And the unscriptural governments that reproduce sin.
The Spirit of Truth is sound doctrine.

Oh Taste and See

Are you ready for the joy and pleasure of your life?
Can you handle faithful passion and devotion to a wife?

You've had other lovers before,
But never like Me.

I have secrets that will capture your heart,
Yet make your soul eternally free.

I own places that will blow your mind.
From the climax that I can give you,
You'll see the Alpha and Omega of time.

I have the wisdom and patience to dwell in your deep.

I am the great encounter.

I am the rest while you sleep.

I'm never tired,

So I can caress you from morning until night.

And when you arise the next morning, you'll have the power to love right.

Breakfast in the pleasure chambers.

Then I'll bath you clean.

And all day in your mind's eye,

You'll replay the majesty of worship scenes.

I live to love.

I'm here to make your dreams undeniable realities.

See us now holding hands.

There is supernatural joy as we walk in the rain.

I want you to feel the eternal life from My lips.

Please allow Me to slowly kiss away your pain.

I see fear in your eyes,

And doubts of true love and celestial intimacy.

Don't deny Me of our predestined history.

Encounter all the wonderful mysteries of My love.

Oh taste and see.

My Apologies

Please forgive Me for I know not what I do.
Forgive Me because I'm so in love with you.
Will you forgive Me for knowing the color of your eyes?
Can you forgive Me for never wanting to make you cry?
Please forgive Me for wanting to wash your feet.
And forgive Me for watching you as you sleep.

Please forgive Me for my burning passion to know you more.
Forgive the fire that burns for you to the core.
Please forgive Me for missing your voice.
Can you forgive Me for making your soul my choice?
Please forgive Me for my commitment only to you.
Will you forgive Me for the thoughtful things that I do?

Please forgive Me for longing for your touch.
Will you forgive Me because I love you so much?
Please forgive Me for wanting to give you quality time.
Can you forgive Me for respecting your body and mind?
Please forgive Me for being responsible with your heart.
And for knowing your pleasure from the end to the start.

I can't move on, because you won't accept My love.
My love is not inferior, indeed, it's from the Heavens above.
Please forgive Me because no one makes me feel the way you do.
You must forgive Me because I'm so in love with you.

My Heart

I know I've hurt You many times before.
By worshipping pain, pleasure and so much more.
Yet You continued to love me unconditionally.
And I stand amazed that a God like You could love someone like me.
Knowing that I knew only in You I am complete.

But thanks to Your love and faithfulness,
I am not the same.
A deeper love is what I lust now.
All of me and no more games.
I'm giving You the firstfruits,
Of the intimate places of my spirit, soul and body.
Total devotion to You and nothing is going to stop me.

It's a gift to be in love with You.
I'm humbled by Your ways that teach me,
How to stay in love with You.
I hear then believe and feel.
The chains broken of doubt and unbelief.
As I bask in Your presence of sweet relief.

I'm yours, Lord.
Feel the fire of my soul held in Your hands.
And delight in me Your purchased and promise land.
I will not make You cry.
Or cause you to feel abandoned.
Asking why? Why? Why?
Everything I do now is for Your holy appeal.
Your glory, Your life, Your will.

Necessary Pain

It's good that I was afflicted.
Through my agony,
Came the predestined light.
Now humility is my companion,
And justice is my sight.

I'm thankful for the persecution,
That cut me so deep.
I'm even grateful,
For the lies I told myself,
That caused me to lose years of sleep.

I'm thankful for the times,
When I was hungry,
Without a dime to spare.
It taught me not to be wasteful.
It showed me how to share.

I give praise,
For every lie told,
To shatter the integrity of my name.
I give thanks for every co-dependency.
I give praise for the abuse,
And for the haunting shame.

Thank You Lord,
For the rejection,
That forced me to draw nearer to You.
I give praise for being a drop out.
Today I have a GED,
Because of the faithfulness of you.

I'm grateful for religious traditions,
That had its grip on me.
I give praise,
For all the blinded leaders,
That enraged me to break free.

Here I am now.
A glorious garden,
But not without the rain.
Thank you Lord for essential water.
Thank you for necessary pain.

Mercy

My sins are many.
At times I have sex alone.
Transgression is the fragrance of my cologne.
Lust and envy often call my name.
Gossip and pleasure were some of my best games.

I have a new life.
So why does my old nature still speak?
The finished work prevails when I'm awake,
But some dreams are wet as I sleep.
Where is the resurrection power,
That has delivered me eternally?
And why am I clothed in struggles,
When the price was paid for me to be free?

I worship You, Lord.
Continue to empower my life.
You are a holy God.
Yet my flesh whispers an oral escapade sounds nice.
The wages of sin is death, for sure.
Come drink the wine of forbidden temptation.
It's all good but never pure.
Who shall deliver me from this body of sin?

The battle in my mind.
I desperately want to win.
Love thy neighbor as thyself.
But too often I put love up on the shelf.
Present your bodies a living sacrifice.
Are you down for another pleasure destination?
We've already gone there twice.

Thou shalt not bear false witness under the sun.
A little white lie has never hurt anyone.
Then the Spirit of Truth convicts me.
Shall you crucify again the Son of God?
Father, truly, I want to please You more,
And give You my sanctified best.

So empower me, Oh Spirit of Truth,
That I will pass each inevitable test.
Jesus I want to see You face to face.
The Alpha and Omega of my destiny.
Until I see You as You are,
My soul forever cries mercy.

Murderer

You've killed the prophets.
The Messiah too.
You've sucked the blood from the faithful.

However,

The Spirit of truth has already exposed you.
You make promises to your elders of fortune and fame.
While imprisoning those who will not bow to your name.

You keep the veil on the blinded.
And you are driven to suffocate those who are free.
You love those who are dead.
And you hate those who live in liberty.

You frustrate the pleasure of the heavens.
Toxic doctrine is in your veins.
You seek to cripple the strong,
And to make lame God's name.

You've had your reign long enough
The gospel of the Kingdom is bringing your killing spree to an end.
You are a foul abomination.
You are the religious traditions of men.

My Lady

There are no words to describe what
your love has done for me.
Your soul has changed my life.
Your commitment has set me free.
Now I have liberty to be in love with
you.
And no one else has what it takes to
hold my heart the way you do.
The passion we share is powerful and
so sweet.
You are my solid foundation and the
rest when I sleep.
I'm amazed to be in this relationship
with you.
And I'm constantly astounded by the
faithfulness of you.
I gave you my soul and you gave me
life.
You've forgiven my folly and lived with
me through strife.
You are a true example of uncondition-
al love.
You are my life, my glorious angel from
above.
Men marry women, but few marry
ladies for sure.
However, My sweet,
You are My lady eternally for sure.

Firm Foundation

A storm is on the horizon.
But I've been here before.
So, by faith, I know I'll get through this.
Indeed, I believe for sure.
The just shall live by faith.
Lord, that's what your Word declares to
me.
Yes, I'll endure with character knowing,
in You I have much victory.
Lord, I give praise to You.
Even though I'm going through.
I feel somewhat crazy, and my mind's a
little hazy.
But I'm determined to believe what's
true.
For I know this one thing.
In you, I can do all things.
So I'll keep the faith,
Pressing forward.
Knowing that my life in You is sure.
I'm standing on the Firm Foundation.
I'm standing on the Firm.
I'm standing on the Firm Foundation.

Because We're In Love

Because we're in love,
The power of our union is in my eyes.
Revelation is no surprise.
It empowers me to forgive.
In your presence is where I want to live.
You love me in places no one else can find.
I love you in ways no one else has tried.

Because we're in love,
We shake heaven and earth.
Our communion each day is like new birth.
I want to please you more.
It's you alone that I adore.
I'm loving you without fear.
Only your voice I hear so clear.
Divine intercourse I never regret.
You make the dry places of my soul refreshingly wet.

Because we're in love,
My life smells like precious fragrant oil.
And our covenant plans no one and no thing can foil.
The light of our love shines so bright,
And my commitment to you feels so divinely right.

Because we're in love,
I love our children in a more excellent way.
In your arms is where I will always stay.
I have joy unspeakable when I'm at work.
With the adversaries of our covenant, I will never flirt.
You are my sunshine after it rains,
And the blood that runs through my veins.
We our always one and passionately free.

Because we're in love,
I want you to have all of me.
To you a new song I sing.
I cherish the banner of our covenant rings.
You deposit in me only that which is true,
And remain faithful like morning dew.
I can't imagine life without you.

Because we're in love.
